**SEABROOK OPENS FOURTH SHARE COUNSELING SERVICES
LOCATION**

Morristown, NJ- Seabrook is excited to announce the opening of its fourth outpatient treatment facility, Seabrook- Morristown. The newest location will serve as premier addiction treatment for Northern New Jersey and surrounding areas. The facility is located at 101 Madison Avenue, Suite 205 in Morristown, NJ 07960.

Seabrook offers multiple services including traditional Outpatient (OP), Intensive Outpatient (IOP), Partial Hospitalization (PHP), individual counseling sessions and specific IOP services for those enrolled in a Medication Assisted-Treatment (MAT) program like buprenorphine maintenance. For the patients' convenience, these services are offered in both day and evening schedules. Additionally, Seabrook- Morristown does treat co-occurring disorders and offers family counseling and family intervention services.

All programs are supervised by our Director of Outpatient Services, Richard White, PhD, LMFT, CCS. Dr. White also oversees Seabrook's additional three IOP locations in Cherry Hill, Northfield and Bridgeton, NJ and has extensive experience working with a diverse clinical population. Seabrook- Morristown is staffed with credentialed, highly educated and licensed staff. Local community therapists, Dayna Ceruzzi, MS, LAC, NCC, and Ellen Brody, MS, LAC, NCC, both recently joined the team as well and will be providing primary treatment services.

The facility offers a large lecture hall space for local community mental health events and will be open to the addiction recovery community to use for 12 Step meetings including AA, NA and Al-Anon groups.

The addition of Seabrook- Morristown will allow more patients to get the help they need. For more information please visit www.Seabrook.org, or call the 24-hour help line at 1-800-761-7575.
